COLLICUTT SIDING GOLF CLUB

MESSAGE FROM THE CHAIR

This September 9th will be the 30th hosting of the Calgary Veterans Golf Tournament. I am proud to be this year's Chair marking this 30th Anniversary. This tournament has had a long tradition of being a great fun day of golf open to law enforcement, first responders and their families and friends to gather together.

With the resounding success of last year's tournament, we have decided to extend our newest tradition of having a charitable partner as beneficiary.

The Calgary Veterans Golf Tournament is proud to be supporting the Pacific Assistance Dogs Society (PADS). This organization supports people with disabilities and community care providers by partnering them with certified assistance dogs. As many people from our RCMP community know, I have personally benefitted from PADS and their certified service dogs, first with Burke, and now with Bingo.

For eight years, Burke made a significant impact on my quality of life. Now, Bingo is following in his pawprints as a loyal and supportive partner—traits that also resonate in the RCMP community. As we plan for an enjoyable day of golf with memorable visits with friends and family, keep in mind our support of PADS and their dedicated work in **Changing Lives—One Dog at a Time.**

This much anticipated day of casual fun and great golf is now in its 30th year and is being offered to the serving and retired law enforcement members, first responders, their friends, and families, as well as event sponsors.

The Calgary RCMP Veterans Golf Tournament on September 9, 2026, will be limited to 144 players. The tournament format is a shot gun start, **Texas Scramble—Best Ball Golf Tournament**.
