LIFE-CHANGING ASSISTANCE DOGS

ABOUT PADS

Established in 1987, Pacific Assistance Dogs Society (PADS) has been breeding, raising, training and placing life-changing assistance dogs for 39 years. The purpose of these amazing dogs is to provide their partners with a new “leash” on life through an increased level of independence and an enhanced quality of life or to provide comfort or rehabilitative care for individuals.

PADS partners people living with disabilities and community care professionals with certified assistance dogs.

Our Mobility Service and Hearing Dogs help individuals live more independently and improve their quality of life. Through our Post-Traumatic Stress Disorder (PTSD) Program, we support Veterans and First Responders. OTHER WAYS TO MAKE A DIFFERENCE

We would love to chat with you about some other exciting opportunities that will provide you or your company with exclusive activation opportunities, significant brand presence and lots of content and creative assets with which to share your own story. Benefits are outlined on pages 5-6.

Hole-in-One Sponsor: One available, \$10,000

The hole-in-one sponsor will have the opportunity to exclusively activate at the hole, where our golfers will try their skill (ahem: luck) at winning a \$100,000 hole-in-one prize! With those winnings, it won't be a problem to treat their foursome for après-golf at the 19th hole.

Volunteer Sponsor: One available, \$10,000

With over 100 volunteers on site over the course of the late morning and afternoon, and involved in all aspects of the tournament, this is one of the most visible and impactful sponsorship opportunities. Your logo will be included on the sleeve of every volunteer jacket; which most volunteers will keep and wear for years to come.

Signage Sponsor: One available, TBC (GIK optional)

With several amazing packages and generous benefits provided to our tournament's partners, our signage sponsor will be very busy! The signage sponsor has the option to provide the signage as a gift-in-kind – ie a donation of services instead of a cash contribution.

Tee Box Sponsors: 18 available, \$1,000 each

Your custom tee box signage will be included on one hole in the tournament. In addition, your logo will be included in the partner loop during brunch, you will be listed in the brunch program and in post-event emails and reports.

Thank you very much for considering supporting our tournament. We look forward to connecting with you.
