IMPORTANT TAX RECEIPT INFORMATION

For a donation to be eligible for a tax receipt the donation must be given freely. If a donation is made because of a contractual or other obligation, it is not eligible for a receipt.

Pacific Assistance Dogs Society (PADS) may issue tax receipts for the following donated auction items:

TANGIBLE, MATERIAL GOODS

PADS may issue a tax receipt for the donation of tangible, material goods (items that are routinely sold for a specific easily-determined price). For example: XYZ Electronics donates a TV to the For the Love of Dog Gala.

Please note that in order for PADS to issue tax receipts, documentation of fair market value of the donated item is required.

GIFT CERTIFICATES THAT ARE NOT DONATED BY THE ISSUER

PADS may issue a tax receipt for the donation of a gift certificate when the donor has purchased the gift certificate and then donated it. For example: An individual purchases an XYZ Electronics gift certificate and then donates it to For the Love of Dog Gala. The donor cannot also be the issuer.

PADS cannot issue tax receipts for donated gift certificates where the donor is also the issuer or for any gifts of service, including but not limited to: hotel accommodation, event set-up, entertainment, air miles, loaned vacation property, time/skills/efforts from musicians, caterers, professional auctioneers, lawyers, professional photographers, etc.

Most companies that donate an auction item should not require a tax receipt because they can claim such a gift-in-kind contribution as a business expense.

Pacific Assistance Dogs Society advises all donors to check with their own financial advisor to determine how they can best utilize a contribution to their maximum advantage within Canadian Revenue Agency regulations
